## **My BERNINA Embroidery Machine Basics Supply List**

These two classes are for the following **current** Bernina embroidery machines: artista 630, 635, 640, 200/730; and the 830. They do need to be taken in order.

**Please bring the following to each class:**

- My BERNINA Embroidery Workbook - printed out
  - [Pick up Embroidery Workbook CD at Redlands Sewing Center](#)
- BERNINA sewing machine and embroidery module with power cord and foot control
- ALL embroidery accessories that came with your machine, which may include the following depending upon your specific model:
  - Embroidery hoops and templates
  - Embroidery presser foot #15 or #26
  - Embroidery bobbin case (artista 640, 200/730)
  - Thread net
  - 1-2 extra bobbins
  - BERNINA USB stick
  - Extension table (830 only)
  - Multiple thread stand/spool holder (optional)
- Instruction Manual
- Small thread snips
- Isacord embroidery thread, 4-6 spools in a variety of colors for flowers/leaves, plus one variegated spool in any color way
- White bobbin thread
- Organ 80/12 titanium embroidery needles OR Schmetz 80/12 embroidery needles

Class 1: Embroidery Beginnings- Includes hands-on instruction on machine/module setup, embroidery preparation, basic embroidery supplies, hoop adjustments & calibration, embroidery functions, accessing designs, customizing thread colors, and embroidery sequence control.

Class 2: Beyond the Basics- Includes information and instruction on embroidery re-sources, lettering, saving & deleting designs, word art, and combining motifs with text. There will also be a short demonstration on BERNINA Software if time allows.

Please visit our web site for class policies.
