## March - Rainy Days Hooded Raincoat & Runabout Jacket

Monday	March 5	6:30-9:30
Tuesday	March 6	9:30-12:30

### Hooded Raincoat—Part Three—Finishing

We are almost done with our Raincoat, and it's time to do the finishing work. We will put the lining in the jacket, do hems, closures, and be able to "dance in the rain".

- Supplies
  - Sewing Machine, with foot control and power cord
- Accessories
  - Standard presser foot
  - Buttonhole Foot
  - Zipper Foot
  - **OR**
  - Walking foot if using laminated fabric
  - Teflon or Non-Stick foot if using laminated fabric
- Thread
  - Metrosene 100% polyester thread to match fabric for construction
  - A bobbin wound of the same thread
- Needles (depending on your fabric)
  - Schmetz Universal size 80/12 or 90/14 for standard fabrics
  - Schmetz Microtex or Jeans size 80/12 or 90/14 for laminated fabrics
- Notions
  - Your pattern and fabrics
  - Fabric shears (7" – 8")
  - Scissors for clipping and thread trimming (4"-5" Ginghers Craft or Embroidery scissors)

- Notions con't
  - Water Erasable Marking pen or pencil (color that will show up on your fabric)
  - Seam Gauge
  - Tape Measure
  - Fine Glass Head pins
  - **OR**
  - Binding Clips if using laminated fabric (you may find you like these better than pins for any project) or
  - Collins Double sided tape for laminated fabrics
