## **Viking Software Skill Builders Supply List**

These are the basic supplies you should bring to every session:

Computer w/ Husqvarna Viking 4D or 5D Software (including any updates)  
program loaded.

Computer Power Cord

Wired Mouse

Mouse Pad

Husqvarna Viking Software Dongle

Powered Hub - if necessary to plug in all USB devices

Paper & Pen/Pencil

Tablet (optional)

\* If you do not have a portable computer, please plan on attending anyway as the club will be presented using a projector so you will still be able to watch.
